

Annual Report of the Independent Review Committee of the Knowledge First Foundation Group of Scholarship Plans

February 20, 2018

IRC annual report to: Planholders in the Knowledge First Foundation Group of Scholarship Plans (the “Plans”) as listed at the end of this report.

Dear Planholder,

In accordance with **National Instrument 81-107 *Independent Review Committee for Investment Funds*** (“NI 81-107” or the “Instrument”), the Manager established an Independent Review Committee (the “Committee” or “IRC”) for the Plans. The IRC has functioned in accordance with the applicable securities laws and is composed of three individuals, each of whom is independent of the Plans, the Manager and each entity related to the Manager (as defined in the Instrument).

The IRC is pleased to publish its annual report to Planholders, covering the period from May 1, 2017 to December 31, 2017 (the “Reporting Period”). The Manager changed its year-end from April 30 to December 31 resulting in a reduced, eight-month Reporting Period. The Reporting Period will follow the calendar year cycle commencing in 2018.

Mandate of the IRC

In accordance with the Instrument, the mandate of the IRC is to consider and provide recommendations to the Manager on conflicts of interest matters to which the Manager may be subject when managing the Plans. A conflict of interest matter is defined as a situation where a reasonable person would consider a Manager to have an interest that may conflict with the Manager's ability to act in good faith and in the best interest of the Plans. The Manager is required under the Instrument to identify potential conflicts of interest inherent in its management of the Plans, develop written policies and procedures guiding its management of those conflicts and request input from the IRC on those written policies and procedures.

When a conflict matter arises, the Manager must refer its proposed course of action in respect of such conflict to the IRC for its review. While certain matters require the IRC's prior approval, in most cases the IRC will provide a recommendation to the Manager as to whether or not, in the opinion of the IRC, the Manager's proposed action provides a fair and reasonable result for the Plans. For recurring conflict of interest matters, the IRC can provide the Manager with Standing Instructions (“SIs”) that enable the Manager to proceed with certain matters without having to refer them to the IRC each time for approval, providing the Manager deals with the conflicts in accordance with the SIs.

The IRC is empowered to represent the best interest of the Plans in any matter where the Manager has referred a conflict of interest matter to it. Where a conflict is referred to the IRC, its responsibility is to determine whether the Manager's proposed course of action provides a fair and reasonable result for the Plans.

The current members of the IRC, and their principal occupations, are as follows:

Compensation and Indemnification

Review of Compensation

At least annually, the IRC reviews its compensation giving consideration to the following:

- the nature and extent of the workload of each member of the IRC, including the commitment of time and energy expected from each member;
- the number of meetings required by the IRC including special meetings to consider conflict issues brought to the Committee;
- industry best practices, including industry averages and surveys on IRC compensation; and
- the complexity of the conflict issues brought to the IRC.

After a review of the above factors the IRC determined that its compensation was satisfactory and no changes were recommended.

Members' Fees

In aggregate the IRC members were paid \$33,334 during the Reporting Period, plus applicable taxes.

Indemnities Granted

The Plans and the Manager have provided each IRC Member with a contractual indemnity in keeping with NI 81-107. No indemnities were paid to the IRC Members by the Plans or the Manager during the Reporting Period.

Disclosure of IRC Member Holdings

As at December 31, 2017, the:

- IRC Members did not beneficially own, directly or indirectly any interests in the Manager;
- IRC Members' interests in a company or person that provides services to the Manager or any Plan, if any, were insignificant; and
- IRC Members were not subscribers of any of the Plans.

Recommendations and Approvals

There were no referrals of conflict matters and, therefore, no other recommendations or approvals were made by the IRC during the Reporting Period.

Standing Instruction Approved

The IRC has one Standing Instruction ("SI") which constitute a written approval or recommendation from the IRC that permit the Manager to proceed with the specific action(s) set out in the SI on an ongoing basis, without having to refer the conflict of interest matter or its proposed action to the IRC, provided that the Manager complies with the terms and conditions of the SI. In each case, the SIs requires the Manager to comply with its related policies and procedures and to report periodically to the IRC.

The Manager relied on SI No. 1 during the Reporting Period. The Manager confirmed to the IRC that for the Reporting Period it had complied with the requirements of SI No. 1.
